

Scotts' Walk

(an excerpt)

The Great Adventure across the HighREDRoads™
A Far Journeys Transcendence Program

Scott has completed over 70,000 hours of training, entrainment & far journeys from within a self-initiated **Girjeff 'great walk'** - Yoganic far journeys tradition, to where he walked the Colorado Plateau and the Great Circle between 2004-2014 becoming a HighREDRoads™ alpine desert master achieving entry into the Gates of the Transdimensional realms, while accessing the "Good Earth Medicine™ " daily over the years of time walking the edges of remote outback wilderness.

Scotts' unique and powerful approach to self-Led enlightenment became this series of advanced integration of placement of Chi Kung & Yoga training and practices culture (way of life), and is being cultivated around the world, within the delivery of our Elevated Health Life Retreat Matrix™ from 'Maine to Maui to Malta™ '.
